This cocktail from [The Chanticleer](#) on Nantucket uses Lucky Dog Vodka, a new spirit created by former U.S. Ski Team member Greg Nichols, a year-round resident of the island. Here's the recipe:

Muddle one large strawberry, slice of orange, and garden mint. Add a touch of simple syrup and dash of orange bitters. Shake with ice and 1.5 oz Lucky Dog Vodka. Strain into rocks glass, add fresh ice on top and finish with rosé champagne. Garnish with sprig of mint.
