

## Lucky Dog Vodka

**L** launched in 2012 in Nantucket, Massachusetts, and just released in California, Lucky Dog is a small batch vodka founded by Greg Nichols, a former U.S. Ski Team mogul specialist. Distilled in Rigby, Idaho from locally grown Idaho winter wheat, the vodka is also made with Rocky Mountain melt-water from the Snake River aquifer. The vodka's clarity, crispness and sparkle earned it a pre-launch Gold Medal at the 2011 New York World Wine & Spirits Competition. *Retails for around \$22 a bottle. 35% abv.*
